Ready to escape the hustle and bustle of the Bahamian capital? Come and spend a day with us and we'll visit pristine beaches and swim with wild sea turtles. The 50ft power catamaran *Tropical Breeze* is the perfect platform from which to explore the nearby secluded islands during your next trip to Nassau.

Tropical Breeze's layout makes it the ultimate day charter boat at her price point – her wide beam makes her safe and stable, and her shallow draft allows her to anchor within swimming distance of the beach. The amount of space onboard is one of the boat's best features; as a catamaran, *Tropical Breeze* provides guests with the room to socialize and relax found only on much larger monohulls.

You'll be in good hands - Captain Kai Chaplin was born and raised in the Nassau, and has grown up exploring the very cruising grounds that best suits *Tropical Breeze*.

Tropical Breeze's comfortable aft deck provides a shady spot to relax, eat, drink and soak in the views of the gin clear Bahamian ocean.

The best place to recline and sunbathe is undoubtedly the bow, which we have outfitted with cushions, seats and speakers.

The yacht's main salon provides another seating area where guests can unwind in the luxury of air conditioning.

For some higher ground, head up to the flybridge. From here you'll have a commanding view of the surrounding beaches and waters.

Activities

Snorkelling

Your day onboard can be as relaxed or as exciting as you like. Our favorite destinations, Green Cay and Rose Island, both offer fantastic snorkeling and spectacular beaches. Green Cay in particular is home to a large family of sea turtles, which provides a once-in-a-lifetime snorkeling experience.

Towing Sports

For the thrill seekers among you - onboard we carry water skis, a wakeboard, and a towing tube which are heaps of fun when towed behind our 14 ft inflatable tender!
